Subject: Denial of Request to Close File, Bear Lake State Park, Garden City Site,
S/033/003, Rich County, Utah

Dear Mr. Gray:

On October 14, 2003, we received notification that this site has been sold and houses may be built on the site already. You requested that you be reimbursed for the annual permit which was paid for year 2003.

This letter is to inform you that your request is denied for the following reason: On October 22, 2003 and again April 2, 2004, the site was inspected. It was determined that regrading work remained to be done. You stated that you hoped this regrading work would be completed by July 2004.

The annual fees remain due until the site is officially released by this office. Permit fees cannot be reimbursed. The next fiscal year permit fee billing will be sent out by July. If the reclamation is completed and you feel the site is ready for full release, you may again request that the file be closed by checking the appropriate box on the billing statement.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5310. Thank you for your cooperation in this matter.

Sincerely,

Lynn Kunzler
Senior Reclamation Biologist
